David Ziegler | Do What's Right

“David Ziegler exemplifies our company's core values, including Do What's Right. As an AP Associate David supports the management team and our clients by handling all requests timely and with care and attention to detail. We rely on David to execute our requests and he does so practically instantly. David is pleasant, prompt, courteous, and 100% accurate in his work. Every form of communication to David is consistently acknowledged by him, never delayed and he is our "go to" when we require assistance in getting an issue resolved. It is abundantly clear that David thoroughly knows his role and executes it with precision. What stands out most about David is how pleasant he is to work with. His demeanor and tone is always professional and courteous. When shown appreciation he accepts it with modesty but seems to brush it off as the normal course of business, even when he goes above and beyond to accomplish the many emergencies that are tossed on his plate to solve. When you send David a request, no follow up is ever needed; we just know that he is a team player who will always Do What's Right for our team and our clients. We are so fortunate to have David as a part of our team, and for those of us who have the honor to work with him, we would like to show our appreciation for his commitment to a job well done.”
